 10:30-Closing Priscilla Weaver
 Area Team President

Worship provided by Christopher Dickey

Brian Wills is an itinerant missionary whose vision is to reach the nations of the world with healing power of God and the Gospel of Jesus Christ. He and his wife are 1992 graduates of Rhema Bible Training Center in Broken Arrow, OK. For two years, Brian was on staff as a volunteer at The Prayer and Healing Center under Rev. Doug Jones and at Healing School under Rev. Keith Moore. Brian travels extensively and has ministered in over 40 nations of the world conducting healing workshops and seminars. His passion is to train others on "how to do the works of Jesus" and he believes that there is a practical way to teach and demonstrate the supernatural.

Healing For The Nations ministry is a dynamic miracle and healing ministry ordained of God. Brian teaches the Word of God with confidence and experience. His style is unique in its combination of power and compassion. Brian is best known for the miraculous healing that took place in 1987 when God healed him from a rare, often fatal cancer of the lymph system known as Burkitt's Lymphoma. The tumor in Brian's abdomen grew from the size of a golf ball to ten inches in diameter in three days. Doctors at the National Institute of Health gave him two weeks to live. In a dramatic story, which left doctors stunned, and without a medical explanation, Brian was healed supernaturally by the power of God. Brian's testimony has been featured in Kenneth Copeland's Voice of Victory, Pat Robertson's broadcast of The 700 Club, and in several well-known newspaper and tennis publications. Brian and Beth Wills are members of Rhema Ministerial Association (RMAI), and the International Convention of Faith Ministries (ICFM). Brian is a guest instructor at Rhema Bible Training Center-Colombia in Bogotá, Colombia, Rhema - Costa Rica, and also Living Water Teaching (Marion Zirkle Wright) in Guatemala. In 2004, the Lord spoke to Brian's heart about **reaching one nation every other month with the gospel.**

Priscilla Weaver has served in Aglow since 1996, first as a lighthouse leader and on the WV Area Leadership Team since 2000, as president since 2002. She serves as National Day of Prayer coordinator in Boone County, teaches at Christian Faith Academy, Van, WV and ministers as a Bible teacher and speaker. She holds a B.S. degree from WV State University. She has served as the primary caregiver for her husband, Jerry, who suffered a catastrophic stroke in 2002. God has used this challenge to show Himself mighty and has taught her how to persevere in adversity. She ministers in the gifts of the Spirit as God sees fit.
